3. If you have had expense claims regarding driving, register this by clicking on the plus sign and select **'Drive'**. Fill in the route and the distance will be automatically calculated.

The **'Description'** field is required. Remember to add passengers if you have had somebody in your car and how many kilometers they have been a passenger for..

To get a refund for, for example, a flight ticket, you register this by pressing the plus sign and selecting **Expense**. Fill in the date, choose the expense type, add the amount and upload a receipt by either taking a photo directly or uploading a photo you have already taken. Press **Save** and the outlay is added to the journey.
